

Product Selection Request

Date: _____

Name of firm: _____

Address: _____

Tel: _____ Fax: _____

Dept: _____

Position: _____

Your name: _____

1) Application (Product) /What does motor drive: _____

2) Max size of motor:

Length: _____ mm

Width: _____ mm* Height: _____ mm φ : _____ mm

3) Power source: _____

4) Voltage: Applying voltage: _____ V DC(AC) Motor terminal : _____ V

5) Direction of rotation (Viewing from output shaft):

CW CCW Bi-directional

6) Speed: Under no load: _____ r/min Under load: _____ r/min

7) Current: Under load: _____ A

8) Torque: Under typical load: _____ g.cm _____ mN.m

Max. load: _____ g.cm _____ mN.m

9) Life requirement (Duty cycle):

Continuous: _____ hours

Intermittent: _____ min on _____ min off _____ cycle

Total required running time: _____ hours

10) Projected quantity per year:

_____ Pcs.

Note: Our minimum acceptable order quantity per one shipment lot is 10,000pcs,

Except for a trial-run order.

11) Other requirements:
